

# Low cost LMS platform

“ **Svelte:** Slender and elegant. Well that is a pretty good definition of this LMS, where a design philosophy of “ease of use” delivers very high levels of learner engagement and makes the name a truism. In fact, Svelte may be one of the LMS industry’s best kept secrets... ”

David Patterson  
Learning Light

## A truly low cost, functionally rich platform:

- SCORM compliant
- Customisable
- Multi-tenancy
- Multi-language
- System integration
- E-commerce options

## Trusted by:

## For the learner:

- Optional self-registration
- Access via any device
- Add module feedback/comments
- Print completion certificates

## For the administrator:

- Add learners – individually or bulk upload
- Create learner pathways
- Set email reminders
- Comprehensive reporting
